

Exploratory Data Analysis Report

Sala2Code

March 9, 2024

1 Dataset Overview

1.1 General Information

- Size: 100 rows / 5 columns
- Target column: *target*

Table 1: Dataset Columns Overview

Column Name	Data Type ¹	NULL
Category1	string	7
Category2	string	5
Continuous1	int	11
Continuous2	int	12
target	int	0

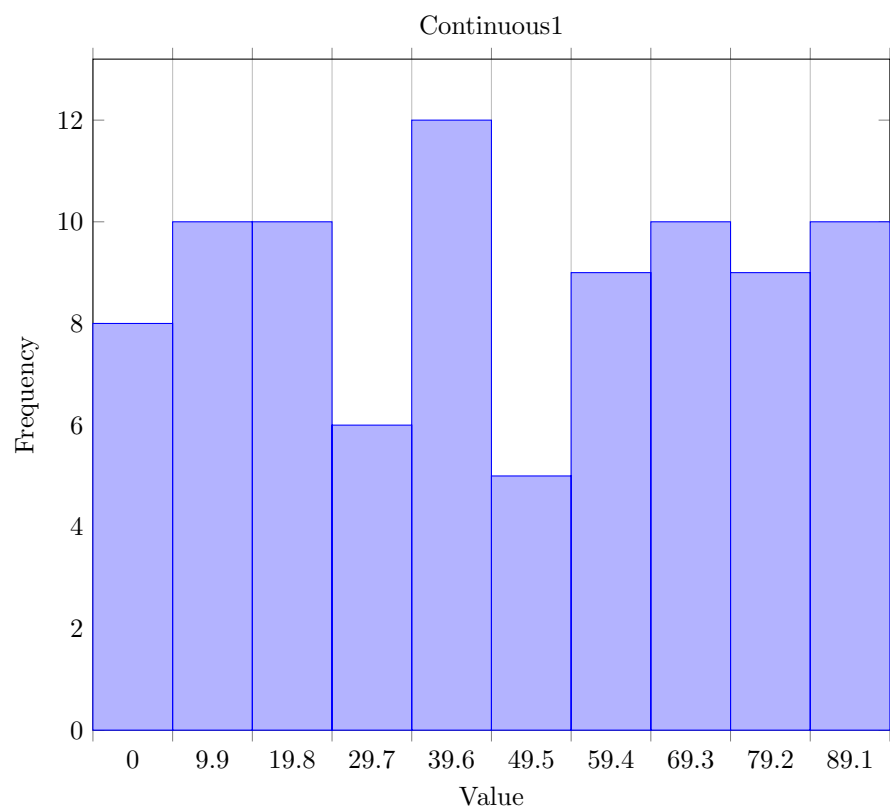

Note: Blue represents continuous variables, Red represents categorical variables.

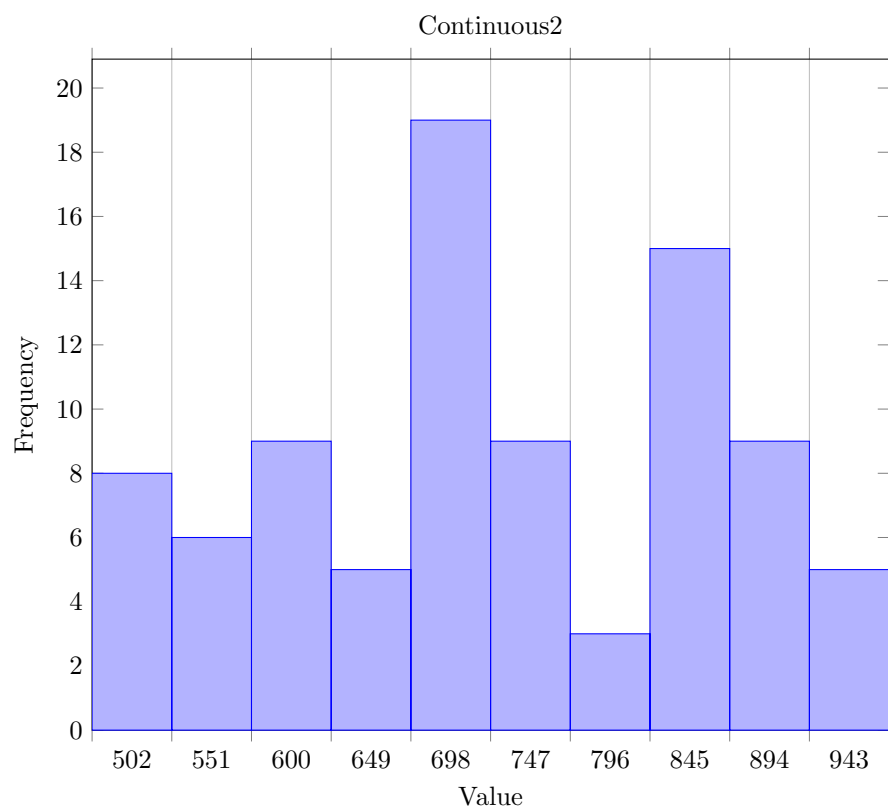

1.2 Continuous Columns

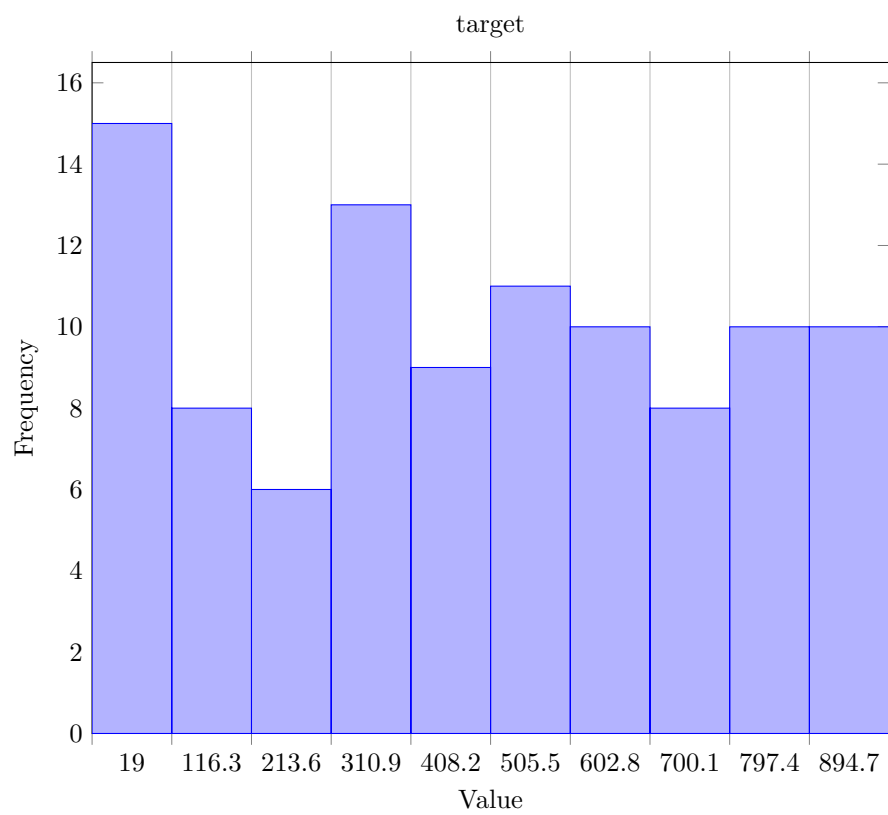

Column Name	Mean	Median	Min	Max	Variance	Std	Outliers
Continuous1	50.4	48	0	99	892	29.9	0
Continuous2	752	744	502	992	1.83e+04	135	0
target	490	499	19	992	8.18e+04	286	0

Table 2: Data types and null value counts for each column.

¹Consider the first value in each column. Therefore, it is not precise.

1.3 Categorical Columns
